# FORESTRY LINE

## FOR EVERY NEED THE RIGHT TAG

Our Forestry Line plastic tags provide you with a clean and fast labelling for all types of wood. The tags are manufactured out of the best plastic with abrasion resistant printing according to your individual requirements. They hold securely to the hammer and reliably in the wood.

	TAG	LABELLING	
<p><b>TYPE 01</b> WE KS</p> 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p><b>TYPE 01</b></p> <p>27/14 x 43 mm with sequential numbering up to 999,999 or single-line text with up to 6 characters</p> <p><b>TYPE 01</b> tags are the most inexpensive way to permanently label wood.</p>
<p><b>TYPE 02</b> WE KS</p> 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p><b>TYPE 02</b></p> <p>27 x 43 mm with sequential numbering up to 999,999 in the first line and text with up to 7 characters in the second line</p> <p>This top-selling tag contains the number and its 7-digit plain text label (name or district number).</p>
<p><b>TYPE 03</b> WE KS</p> 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p><b>TYPE 03</b></p> <p>35 x 43 mm with sequential numbering up to 999,999 in the first line, text with up to 6 characters in the second line and a removable tab</p> <p>With this tag you can control stock coming into your factory. The removed control tab can be recorded in the office. The logs coming into the plant are identified as "recorded" due to the missing control tab.</p>
<p><b>TYPE 04</b> WE KS</p> 	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	<p><b>TYPE 04</b></p> <p>35 x 43 mm with sequential numbering up to 999,999 in the first line, text with up to 6 characters in the second line and up to 7 characters in the third line</p> <p>or alternatively with sequential numbering up to 999,999 in the first line and a logo with up to 3 colours. You only pay for the logo stamp once, it is held by us ready for your further orders.</p>

**WE** CURVED PRONG:  
for face wood (standard)
