

Z-Ultimate® 3000T Yellow

Permanent labels

Thermal Transfer

Description

Z-Ultimate 3000T Yellow is a top coated high gloss yellow coloured polyester label stock with high print quality. Excellent temperature and chemical and solvent resistance makes this a strong and durable label stock when printed with Zebra's 4800, 5095 and 5100 ribbons. A high quality rubber adhesive gives excellent adhesion to a wide variety of surfaces. When printed with 5095/ 5100 resin ribbon, Z-Ultimate 3000T Yellow is UL approved.

Suggested Applications

- Durable asset tracking label
- Hazard warning labels for dangerous substances
- Rating plates.
- Electrical cable markings.
- UL compliant labelling
- Pipe identification eg. gas, water, steam
